RESOLUTION NO. 2015-461

PRESCRIBING THE MINIMUM STANDARD SPECIFICATIONS FOR
AIR-CONDITIONED KENNEL TRANSPORT VAN

WHEREAS, Section 14, Paragraphs (i) and (m) of Republic Act No. 6975 as amended by Section 5, Sub-Paragraphs (5) and (8) of the Republic Act No. 8551, empowers the Commission to “approve or modify plans and programs on education and training, logistical requirements, communications, records, information system, crime laboratory, crime prevention and crime reporting as well as prescribe minimum standards for arms, equipment and uniforms and, after consultation with the Philippine Heraldry Commission, for insignia of ranks, awards and medals of honor;”

WHEREAS, pursuant to the aforecited legal prescription, the PNP, through Uniform and Equipment Standardization Board (UESB) Resolution No. 2014-096 dated October 29, 2014, has favorably submitted and indorsed the proposed minimum Standard Specifications for Air-conditioned Kennel Transport Van, as basis for the procurement thereof for consideration/approval of the Commission;

WHEREAS, upon thorough evaluation, certain item descriptions of the PNP-UESB proposed specifications be modified to allow wider participation of manufacturer’s product brand in the market, particularly the Overall Length and the configuration of the Doors;

WHEREAS, the “Warranty” requirement be removed since this is not specification per se but rather appropriately to include in the Terms and Conditions of the Contract;

WHEREAS, the PNP Uniform and Equipment Standardization Board (UESB) and the NAPOLCOM Installations and Logistics Service (ILS) have certified that the proposed subject minimum standard specifications with modifications is not a tailored fit specifications of any particular brand in the market;
